	L		<u>.</u>
25X1	3.	Comment. There were 276 incoming cars in May 1952 compared with 200 outgoing cars in June. Supply traffic was normal and confirmed previous relations. The deliveries to Altengrabow listed in paragraph 3 appear somewhat too high, but they are for the troops engaged in field exercises there.	
25X1	140	Corment. The names are reported for the first time.	
25X1	5.	Comment. Presumably shipments of empty barrels.	e P
